Re: Carstab Products Plant, Request for Information

Dear Mr. Schaaf:

This letter is intended as a reminder of our telephone conversation on February 14, 1991. I requested information arising from the on-site interview with Carstab (yourself, among others) and Cortney Schmidt (Ecology and Environment) on October 1, 1990.

I requested the following information:

- List of feedstocks,
- List of products,
- List of hazardous wastes produced (copies of hazardous waste manifests),
- Copies of discharge permits (sewer, air, etc.),
- Well logs of wells drilled on-site by Carstab,
- Record of any injuries/exposures related to hazardous wastes (check OSHA logs).

Thank you for your cooperation.

Sincerely,

Mark Dunnigan  
Ecology and Environment
